Section 5.2.4.4	39-40	Replace 5.2.4.4.1	<p><i>5.2.4.4.1 Definition of Similar Projects</i></p> <p><i>Similar (relevant) projects are defined as residential projects completed within the ROK within the past 10 years that total at least 75% of the RFP Project's rentable square feet or larger. Offeror may submit projects that satisfy more than one of the criteria stated above and can be used to demonstrate either Design &amp; Construction experience or Operations &amp; Maintenance experience, or both."</i></p>	<p>5.2.4.4.1 Definition of Similar Design &amp; Construction Projects</p> <p>Similar (relevant) projects are defined as residential projects completed within the ROK within the past 10 years that total at least 79,398 Sq. Meters (854,633 Sq. Feet) or more (this represents 75% of the area of the total for Phases 1, 2, and 3 of the SLQ project at USAG Humphreys). Offeror may submit projects that satisfy more than one of the criteria stated above and can be used to demonstrate Design &amp; Construction experience.</p>
Section 2.3.5	4-5	Add to Section 2.3.5; 5 <sup>th</sup> & 6 <sup>th</sup> sentences	n/a	<p>"The Lessor will be responsible for the provision of access/haul routes for its use during construction as necessary. These costs should be factored into Offeror's development cost assumptions. The U.S. Government will provide permanent off-site roadways accessing the site for each Phase which will be scheduled for completion prior to Substantial Completion and Government Acceptance of each Phase. Offerors should assume off-site</p>
